Angioplasty Summit 2007- TCT Asia Pacific Associations and Affiliations

- CardioVascular Research Foundation (CVRF) / Asan Medical Center, Seoul, Korea
- Cardiovascular Research Foundation (CRF) / Columbia University Medical Center, New York, USA
- Transcatheter Cardiovascular Therapeutics (TCT)
- The Paris Course on Revascularization (EuroPCR)
- Complex Catheter Therapeutics (CCT)
- Asian Pacific Society of Interventional Cardiology (APSIC)
- The Korean Society of Circulation
- The Korean Society of Interventional Cardiology
- The Korean Study Group of Pediatric Interventional Cardiology
- Cardiovascular Technology Association (CTA)

Program Information

Welcome to Angioplasty Summit 2007-TCT Asia Pacific

Angioplasty Summit-TCT Asia Pacific is a scientific and international conference which is focused on the interventional vascular therapy, and held annually in April, Korea.

It has been playing a leading role in Asia Pacific region to educate physicians and other health care professionals who specialize or are interested in this field.

It has been becoming an immense platform for them to catch up with the cutting-edge Western and European techniques, overviews, and clinical investigations as well.

This 12th meeting will be unfolded from Wednesday, April 25, through Friday, April 27, 2007 in Seoul, Korea.

Learning Objectives

The participants who will attend the meeting can:

- Integrate the newest interventional techniques and devices related to patient care in the coronary, peripheral and carotid arteries, and structural heart disease.
- Review the latest basic and clinical investigations to guide how to manage optimally the patients with vascular or structural heart disease.
- Compare and contrast different approaches to treating the same type of lesion, and apply an optimal treatment to various patients in their clinical practice.
- Learn numerous treatment strategies through reviewing diverse challenging cases submitted from all around the world and discussing with the world renowned experts.

Target Attendees

- Interventional cardiologists
- Cardiologists
- Physicians interested in cardiology and vascular medicine
- Radiologists
- Basic scientists
- Vascular medicine specialists
- Vascular Surgeons
- Interventional Pediatricians
- Nurses and radiologists
- Other health care professionals with special interest in the interventional vascular therapy and medicine

Program Sponsorship and Support

Angioplasty Summit-TCT Asia Pacific is sponsored by CardioVascular Research Foundation (CVRF) and partially funded by educational grants from commercial supporters.

Invited Faculty

International Faculty

Alexandre Abizaid, MD

Institute Dante Pazzanese de Cardiologia, Brazil

Stephan Achenbach, MD

University of Erlangen, Germany

Takashi Akasaka, MD

Wakayama Medical University, Japan

Yaron Almagor, MD

Shaare Zedek Medical Center, Israel

Yasushi Asakura, MD

Keio University School of Medicine, Japan

Giancarlo Biamino, MD

Heart Center Leipzig, Germany

Raoul Bonan, MD

Call for Cases

Angioplasty Summit - TCT Asia Pacific cordially invites physicians throughout the world to submit their challenging cases implicating their ardent passions and interests in the interventional vascular therapeutics field.

Deadline for Submission_
January 10, 2007

Notification for accepted cases_
February 9, 2007

#Best 5 challenging case presenters will be honored to present their cases in the main session and total amount of **US\$5,000** will be awarded.

Guidelines

- All cases must be submitted on CD-ROM with Challenging Case Submission Form.
- Please download case submission form on www.summitMD.com/html/summit/2007/case.php.
- Submitted cases will be reviewed by the organizational committee.
- Chosen cases will be presented and discussed in the "Cases reviews: Meet the Experts" session separated by each relevant topic.
- Presenters for the selected cases will become Angioplasty Summit 2007-TCT Asia Pacific Faculty and will be waived from their registration fee.
- For further information, please contact kakim@summitMD.com.

Send cases and submission forms to:

Angioplasty Summit 2007-TCT Asia Pacific Challenging Cases
c/o Kyung-Ae Kim
CardioVascular Research Foundation
388-1 Poongnap-2dong, Songpa-gu, Seoul, 138-736, Korea

Call for Abstracts

Accepted abstracts will be published in a supplement issue of
"The American Journal of Cardiology"

Abstracts should involve the following disciplines in the field of cardiovascular medicine and intervention:

Basic Cardiology, Balloon Angioplasty, Coronary Stent, Drug Eluting Stent, Vascular Brachytherapy, Intravascular Ultrasound, Atherectomy, Distal Embolic Protection, Thrombectomy, New Interventional Device, Peripheral Intervention, Noncoronary Cardiac Intervention, Acute Myocardial Infarction, Cardiac Imaging, Vulnerable Plaque, Pharmacological Treatment, Genetic or Molecular Cardiology, Echocardiogram, and Miscellaneous

Abstract submission site open_
October 1, 2006

Abstract submission deadline_
November 10, 2006

Submission

- All abstracts must be submitted electronically.(on-line)
- For preparation and submission instructions, please log onto www.summitMD.com.
- You will receive confirmation of your abstract submission by e-mail as soon as practical. If you do not receive a confirmation, please contact secretariat of Angioplasty Summit 2007-TCT Asia Pacific at kakim@summitMD.com.

Notification

- **Outstanding Research Awards at the total amount of \$10,000** will be given to the investigators submitting the best abstracts.
- The best abstracts of Angioplasty Summit 2007-TCT Asia Pacific will be presented during the meeting.
- All submissions will be reviewed by the world-celebrated official graders of the meeting.
- Acceptance status will be available on the www.summitMD.com and notified to the corresponding authors on or about January 10, 2007.
- All accepted abstract presenters will be waived from the registration fee.
