Purpose: To provide an update and interactive discussion about gender differences in CVD and valvular disease, and highlight career-related matters of importance for female interventionalists. The meeting will also offer the opportunity for networking and exchanging experiences.

Chairperson: Fina Maura and Maria Radu, chair and co-chair of the EAPCI Women’s committee.

Speakers: Andreas Baumbach, Vijay Kunadian, Ghada Mikhail, Yolande Appelman, Emanuela Piccaluga, Martine Gilard, Roxana Mehran and Alaide Chiello.

Panellists: Alaide Chiello, Stefan James, Robert Byrne, Julinda Mehilli, Fazila Malik and Roxana Mehran.

Agenda: Does gender still matter in CVD?
What about valvular disease?
The WIN TAVI registry – a true winner!
Why this difference? Who is “failing” – the patient or the doctor?
Radiation safety – why still bother?
Women in intervention: changed conditions from the early days in the 80’s until today?
